Fire prevention video 'Getting Out Alive' today on channel 14

The award winning video "Getting Out Alive" will be shown on the Learning Channel today at 10 a.m. and 1 p.m. It covers strategies to help avoid being trapped in a fire, how and when to conduct fire drills, evacuating people with disabilities and coordinating your plan with the fire department. The presentation on channel 14 is part of Fire Prevention Week activities.

October is Breast Cancer Awareness Month
